

## Combined SYSGENET Working Group 1 and 2 Meeting

**Working Group 1: GRP resources**

**Working Group 2: "Presentation SYSGENET to EC representative"**

### COST ACTION BM0901:

European Systems Genetics Network for the Study of Complex Genetic Human Diseases using Mouse Genetic Reference Populations

December 6<sup>th</sup> 2010 Brussels, Belgium

---

## PRELIMINARY PROGRAM

**Venue:** Darwin room – 15<sup>th</sup> floor, COST Office, Avenue Louise 149, Brussels, Belgium

### Monday, December 6<sup>th</sup>

**09:00 – 12:00**      **WG1 Meeting: GRP resources**

09:00 – 09:15      Welcome Guus Smit

09:15 – 11:15      Working Session

11:15 – 11:30      Prepare report to COST

11:30 – 12:00      Lunch/Sandwiches

12:00              end of the meeting

**12:00 – 16:00**      **WG2 Meeting:**

**Meeting with EC representative Jacques Remacle**

12:00 – 12:30      Klaus Schughart: Introduction to SYSGENET and Questions

12:30 – 12:50      Rob Williams: Weaving the systems genetics network

12:50 – 13:10      Johan Auwerx: New strategies to understand metabolic disorders

13:10 – 13:30      Martien Kas: Cross-species genetics of neurobehavioral traits

13:30 – 15:00      Discussion about future EC programme possibilities

15:00              End of the meeting
