As a member of the Helmholtz Association, the Helmholtz Centre for Infection Research, based in Braunschweig, conducts cutting-edge research in the field of infectious diseases. Our scientists develop new methods and strategies to combat infectious diseases faster and more effectively. Our common goal is to develop new approaches for the prevention, diagnosis and treatment of infectious diseases. Our research focusses on bacterial and viral pathogens, their interaction with the human immune system and new drugs and vaccines.

With a broad spectrum of services and projects, the IT Department, headed by Dr Joachim Metge, supports both science and administration and makes a significant contribution to the success of infection research at the HZI. In a complex IT environment at several locations, 22 employees and six trainees face the daily challenges and master them with expertise and team spirit in a friendly environment.

Responsibilities:

- Active Directory (AD) specialist application support at first and second level
- Provisioning, modifying, de-provisioning of: AD group and AD user authorizations, shares, DNS entries, group policies
- Management in a complex environment of domain controllers, IP networks, locations, Windows updates, DNS, Windows firewalls, worst-case scenarios, domain objects, AD interfaces
- Authorization management of groups within the AD and on file servers incl. troubleshooting
- Working with and on scripts (Powershell)
- Creating and updating documentation
- Participation as data centre representative in Active Directory projects

Requirements:

- Successfully completed relevant university or bachelor's degree in the field of IT or comparable training with equivalent skills and experience with proven professional experience of more than 2 years
- Extensive experience in the administration of Active Directory
- Experience in the administration of file servers, DNS, Windows firewall
- Practical experience in first and second level support
- Good written and spoken German and English skills

Advantageous for this position:

- Accuracy
- Kindness
- Willingness to learn

We offer you:

- An attractive and varied job in a future-oriented research institute with an international environment at the Science Campus South in Braunschweig
- A state-of-the-art infrastructure and the latest technologies
- Flexible working hours, part-time models as well as home office
- A corporate culture of appreciation and promotion of equal opportunities
- Extensive training and continuing education opportunities to develop professional knowledge and personal skills
- A family office to support family and career as well as childcare offers
- Interesting additional public service benefits
- Possible subsidy of the job-ticket

People with severe disabilities and equivalent professional qualifications who are suitable for the position are given preference. In order to protect your rights, we ask you to provide us with a clearly recognizable reference to the existence of a degree of severe disability in your cover letter or resume.

The HZI is actively committed to equality, diversity and integration. For this reason, the HZI pursues the goal of professional equality between women and men. The position is suitable for part-time work.
